

SEADAYS

SEA RAY 290

This majestic bowrider rules the waves. Incredibly elegant, comfortable and spacious, while packing 520 horses into her twin Mercruiser powerhouse engines, this beautiful boat is by far the best way to explore Formentera. With her shallow draft (the depth she sits under the water) your captain will be able to get you into the most beautiful, clear, shallow waters.

In a word- **Exhilarating!**

# SEA RAY 290
